

Extracurricular Athletic Activity

Your child has expressed interest in participating in one or more of the following extracurricular recreation athletic activities:

General gymnastics movements like somersaults, handstands, stretching, balancing, ball games, and rhythmic exercise.

Participation in extracurricular recreation athletic activities can result in an increased risk of injury to your child; possible physical, mental, and emotional injuries can be severe, debilitating and lifelong. It is also possible your child will come into contact with a bloodborne or some other pathogen and that may cause untreatable or irreversible infection.

We will take reasonable steps to ensure the safety of children and prevent injury and infection. We can't eliminate all risks, and you must accept the increased risk to your child before we allow you to participate in this Extracurricular Athletic Activity. Our basic accident insurance provides some coverage for all students. You may decide our insurance does not meet your needs. If that is the case, we recommend, but do not require, you to purchase additional insurance.

Acknowledgement Release and Consent

You understand and accept all the risks of your child participating in the above Extracurricular Athletic Activity and you will purchase additional insurance if you decide that our basic accident insurance does not meet your needs. You understand that if a medical emergency affects your child, we will seek emergency treatment on your behalf if you are not there. You accept full responsibility for all costs associated with emergency treatment, including any emergency transportation.

You will advise us about any medical conditions, allergies, and restrictions that may affect your child's participation in the above Extracurricular Athletic Activity. We will record that information in our Student Information System.

You release and hold harmless Czech School of Calgary and all its trustees, employees and agents from any and all claims whatsoever that may arise from your child's participation in the above Extracurricular Athletic Activity, including any claims for physical, mental, or emotional injury, infection property damage and financial loss.
